About Interiors Ltd

Contemporary Furniture Solutions for the Modern Workplace

E and M Services are excited to offer our extensive range of seating and furniture solutions. Our products are manufactured using robust, quality materials and styled to enhance the modern work environment.

The following pages show hundreds of stunning designs and colour options suitable for offices, shops and reception areas and for so many other workplace locations! Our products look amazing in both traditional and contemporary interiors and our vast colour choice enables you to have the styles you want at great prices.

So whether you are looking for 24 hour chairs, task chairs, meeting room, reception or classroom furniture, we have the solution.

If you can't find what you are looking for in this brochure, please let us know. We have additional brochures and an extensive supplier network to source other products to meet your requirements. If you are particularly looking for desks, workstation solutions or storage units please ask for our other brochure.

In addition to our exciting new furniture ranges, we also provide amazing floor coverings. We have been supplying and fitting floor coverings for 30 years and have worked on some fantastic projects. From boutique shops to department stores and from schools to universities we have been installing commercial flooring for decades. Our flooring products range from carpets, carpet tiles to luxury vinyl tiles such as Karndean and commercial vinyl installations.

Please contact us or see our website www.eandmservices.com to find out more.

We can't wait to hear from you.

“THE SECRET TO HAPPY WORKSPACES ISN’T SPENDING MORE MONEY. IT’S ABOUT CREATING THE CONDITIONS THAT ALLOW EMPLOYEES TO DO THEIR BEST WORK.”

Dr Ron Friedman

The Best Place to Work: The Art and Science
of Creating an Extraordinary Workplace

Pulse Design create contemporary and innovative soft seating solutions designed to enhance the progressive workplace of the 21st century.

Design and comfort reside firmly at the forefront of everything we do at Pulse Design. We consciously strive to provide our customers with a choice of products that deliver the significant and individual style they so desire.

The soft seating collection from Pulse Design provides a plethora of combination opportunities by way of intelligent functionality and versatility.

Available in one, two and three seater variants, the distinctive character of this range is achieved by combining subtle contours and generous proportions with a suspended back, angled to maximise comfort and support.

Liberty also offers a unique bench option with the removal of the back rest.

LIBERTY ONE

LIBERTY TWO

LIBERTY THREE

Enhance the look of Liberty with button back detailing, channel quilting, contrasting seat fabrics or wooden legs to suit those environments that require an extra dash of individuality.

LIBERTY ONE

LIBERTY TWO

LIBERTY THREE

CHAIRS ABOVE SHOWN WITH **OPTIONAL** QUILTED BACK REST

Available as a single armchair - two or three seater sofa, this modern design creates a striking first impression and can be integrated with the Synergy modular range for the perfect combination. The suite of pieces can be tailored to complement any corporate environment in a variety of fabrics including two tone upholstery and a full leather option.

SYNERGY ONE

SYNERGY TWO

SYNERGY THREE

Power Options

A selection of PortHole modules designed to support and improve the practice of mobile and remote working in the workplace.

PortHole charger modules are supplied complete with an individually fused power socket and a choice of the following:

- **Twin USB chargers**
- **Single USB charger and HDMI**
- **Twin HDMI**

Wireless charger modules offer an integral power supply and work with any device that is compatible for wireless Qi induction charging.

Power and data cables all exit from the base of the unit and come with a standard 1m mains lead to 3 pole connector, 3m data lead and 2m USB lead where appropriate.

Power options are available for use with many of the seating options found in this brochure.

“Making the simple complicated is commonplace, making the complicated simple, awesomely simple, THAT’S CREATIVITY.”

IMAGE DEPICTS THE MOSAIC PLUS RANGE WITH OPTIONAL SLED FRAME

“Interior design is the ability to transform an ordinary space into a beautiful, well-designed and functional environment”

Ann Snipes
Interior Designer

A modern take on the traditional stool. This hexagonally shaped range can be adapted for use in a wide variety of environments, from primary education to contemporary breakout areas. Available in 3 sizes, Hexad is a versatile option for the progressive office of today.

Create combinations for larger communal areas or specify as individual stools when the setting dictates it. Hexad also perfectly accompanies the LINK modular system and can be easily integrated in modern and educational environments.

HEXAD SMALL

HEXAD MEDIUM

HEXAD LARGE

Serenity has been designed with versatility in mind. This stylish and adaptable seat can be specified with or without a headrest and the twin shell design allows the chairs to be specified fully upholstered. Alternatively, finish with a walnut veneer or white laminate outer shell to tailor the look and feel of the chairs to suit the environment.
